ELLEN ALLARD, multi-award winning Recording Artist, Composer, Performer, and Educator, is one of the most popular and influential Jewish musicians and educators on today's vibrant contemporary Jewish music scene. With over 30 years experience performing and teaching for young children and their grownups, as well as 14 recordings and 7 songbooks in her catalog, a growing library of over 250 songs that she has penned, Ellen continues to charm audiences with her interactive, infectious, and entertaining music.

Widely recognized for her appeal to audiences of all ages, Ellen's songs have become the gold standard when it comes to engaging children and adults of all ages and helping them strengthen their Jewish identities. With a strong commitment to building community through music, Ellen has a unique, charismatic, charming, and heartwarming way of inviting audiences to sing along, whether performing a concert, facilitating a student or teacher workshop, leading a worship service or teaching her Yoga Yeladim Children's Yoga program. When she sings with young children, she knows exactly how to engage and hold their attention, sometimes goofy, sometimes serious, always meaningful. Ellen weaves together powerful, moving and spiritual moments that speak to the hearts, minds, and souls of adult audiences.

Ellen has a catalog of 14 award-winning recordings and 7 songbooks, including her latest recording 'Build It Up', a compilation of her most widely requested Jewish songs for children.
