Verse 2:

The thing about trees
 that is so amazing
 In living they give us
 all that we need
 They give us food,
 Shelter and beauty
 And they give us the air, the air that we breathe. Chorus

Verse 3:

Some trees are huge
 Some trees are tiny
 Some scrape the sky
 And some scrape your knee
 Some live a long time
 With rings that can prove it
 Some formed the table
 Where we wrote this song. Chorus

Verse 4:

This lovely tree
 Standing before us
 Planted by someone
 A long time ago.
 Someone with hope
 A hope for tomorrow
 With a dream of the future
 Right here in this tree. Chorus
